

Chandler Vaqueros Saddle Club is celebrating "50" years in the community

Chandler Vaqueros Saddle club was established in 1968, by the Chandler Sheriff's Mounted Posse Association, as a nonprofit western horseback riding club. CVSC has evolved over the years but the principle has not changed. It offers an affordable and competitive environment where western horseback riding can still take place. The Club relies on the generosity of sponsors and is run by volunteers. Our season generally runs from September thru May located at Horseshoe Park Equestrian Center in Queen Creek, AZ.

Our "rodeos" include **Goat Pulling, Goat Tying, Barrel Racing, Pole Bending and a Speed Event.** Members can participate in one event or all three; using the same horse or multiple horses.

Our current age groups are; 3-8, 9-12, 13-18, 19-39 and 40+. We have all levels of riders, some just starting out, some are JR and SR high school rodeo participants and others have been riding since they could walk.

We even have Royalty, a Queen and Princess, each rodeo begins with a Grand Entry and the National Anthem. Our Royalty also chooses a Club community service project for the season. In years past we have held food, clothing and tack drives benefiting the Town of Queen Creek and Canyon State Academy.

Every qualified rider will receive an award for their hard work and perseverance. Our awards banquet is held annually at the end of August to Early September, where our qualified riders will receive awards such ***as buckles, pads, reins, halters, etc***
